PART 2 – REASONS FOR STANDING

Contents are not to refer by name or inference to any other candidate, nor contravene Union policy governing publication.

*As a highly passionate & hard working member of HUU I am motivated by the thought of our union at its best.
Through my role as elected Councillor of Scrutiny, I was able to spend this year sitting on Union Council as Chair of the Sports Zone & therefore within the Governance Zone.
I have seen the good & the bad of how things are run within HUU & would consider myself best placed to reflect on our union's workings.*

What do you want?

*HUU is here to represent you, which is why I believe **balloting our membership** a minimum of once a year to choose our **priority campaigns** is vital.
I propose to use planned for, advertised and resourced week 3 elections with a proper budget to give you a voice in choosing what we fight for over the year ahead.*

Making elections and Council more accountable

*As a Councillor of Scrutiny I have discussed & approved changes within the Governance Zone that have made way for Reserve 2 out of 8 Councillor of Scrutiny positions for **week 3 elections** - giving people another chance to stand and First years a fresh chance.
Under-budgeted, under-planned week 3 elections have been an inevitability over the past few years - why not do them properly? Randomly selecting 8 different students to attend each Union Council to scrutinise on policy at face value alone
Optional 'open zone' policy to allow Councillors to rotate through the zones, curbing blockvoting and enabling a better overview for scrutiny and questioning.*

Better education on HUU

*Throughout this year I've found myself struggling to properly understand structures that govern us. HUU is exceptional at showing off its wide-ranging & varied AU teams, societies and volunteering opportunities - but what about the governing body that affects our daily lives? And how can we expect involvement without understanding?
I propose:
Engaging students from day one with a properly explanatory, accessible and appealing **Fresher's Pack**, alongside optional Halls of Residence's sessions explaining positions remaining, how to get involved and promote HUU to our newest members*
