PART 2 – REASONS FOR STANDING

Contents are not to refer by name or inference to any other candidate, nor contravene Union policy governing publication.

I joined the ISA in 2009, which was my first year at the University of Hull. At the end of the year I ran for the position of Treasurer in the ISA and was successfully elected. After being on the committee I have realised that there is still a lot to do to make the ISA better. I want to be the Chair of ISA because I want it to be more successful in helping international students, such as myself, to make their experience at this university a memorable one. I want to organise more events, help these students academically and basically do everything possible to make them feel that they belong to this university and that they are a part of the students' union. Go ISA!
