PART 2 – REASONS FOR STANDING

Contents are not to refer by name or inference to any other candidate, nor contravene Union policy governing publication.

Further education is changing before our eyes, the student community needs to adapt and create a sustainable and effective organisation for the long-term. Putting unity back into the Community. I feel that I am the person to enable this as I'm:

- Determined** *When a job needs doing, I do it properly.*
Ambitious *Why can't HUU be the best?*
Versatile *Every section of the community zone should be great, not just some.*
Experienced *Through working in these sections, I have gained a vast knowledge of what works.*

I Guarantee:

Societies:

- Part-time paid Society Chair: For development and expansion of societies; allowing other student activities to grow.
- Voluntary Training: Monthly workshops on how to start, run and maintain a society.
- Societies and Volunteering Fresher' Fayre extended to two days.
- Monthly societies club night: The AU has Tower, what do societies have?

Media

HullFire:

- Fortnightly newspaper with relevant student issues, news and debates; including lists of all societies, AU teams, contacts and meetings in every edition and combine society newsletters into a new 4 page section: "Societies"
- "Sports" section to include HUU AU sports fixtures, match reports, achievements and profiles.
- Monthly features magazine to include travel, fashion, finance and culture.

Jam radio: Fundraising for equipment and training to enable the move to FM.

HUUTV

- Currently an un-ratified society, I would put under chair Media to allow for correct development and funding.
- Regular screening events in Sanctuary of programs and Asylum of feature films.

ISA

- Continue to support the ISA and encourage integration and links between international and home students.

RAG (Raising and Giving)

- Part-time paid RAG Chair: For total commitment to fundraising enabling the doubling of charitable donations to £50,000.

HUSSO

- Increase volunteering opportunities in law, environment, sport, business *etc.* for ALL students to improve their CV's.

Scarborough

- Scarborough students should elect Scarborough Sabbatical officers. I will not interfere, as it is not my place to impose what Hull wants on Scarborough students.
