PART 2 – REASONS FOR STANDING

Contents are not to refer by name or inference to any other candidate, nor contravene Union policy governing publication.

No to Cuts and Privatisation

- Fight every course closure and fee rise
- Support lecturers and staff
- Stand alongside public sector workers against cuts to jobs and services.
- Ensure students are aware of all the financial support they are entitled to.

Affordable and Safe housing

- End Clubeasy sponsorship of HUU.
- Review 'The Scheme'
- Ban all housing companies from advertising on campus, apart from accommodation fairs.
- Hold drop-in advice sessions specifically concerning housing issues.

Fight Racism, Sexism and Homophobia

Increase budgets for liberation campaigns.
 Support our No Platform policy and organise to defend our communities if the EDL march in Hull.
 We won't be the police's spies! Members of the community are being asked to spy on their Muslim peers leading to innocent people being accused of terrorism. This should not be tolerated.
 Liberation positions will not be replaced by a single 'equality and diversity officer'.

Improve Campus Safety

- Security should not be stifling the right to protest but instead focus on the safety of students.
- Save Nightline, an important service under threat and work to tackle hate crime.
- Maintain the newly implemented Zero-Tolerance to sexual harassment policy and create an online reporting database on hullstudent.com.

Improve accessibility and support

- In Scarborough we need to ensure that the campus is fully accessible.
- Better equip the advice centre with more funding for food parcels.
- Increased access to sanitary provisions for students in hardship.
- Fight the reason this is necessary, the cuts.
