Contents are not to refer by name or inference to any other candidate, nor contravene Union policy governing publication.

Welfare Zone has had the biggest positive impact on my time at ~~HUU~~ and is central to the continuing success of HUU. I have engaged with the vital and fantastic services the Welfare Zone has to offer but have identified key issues that can be improved on

Greater transparency of the Scheme

A greater and more comprehensive sexual health service.

A real term increase of jobs offered at the Jobshop.

More course related volunteering opportunities at Jobshop

Greater contact time and a more mobile VP that will come to you

Help your welfare grow
